Education

New York University: Tandon School of Engineering

Bachelors of Science in Electrical & Computer Engineering – Freshman

Experience

MARCH 2026 - MAY 2026

Web and AI Development Intern

24/7 Teach

Worked on development of the Naomi-AI app, an AI-powered learning platform:

- Developed constraint-guided generation pipelines to produce New York State standards-aligned 8th grade math problem sets
- Transformed large amounts of AI outputs into normalized, machine-readable JSON datasets for use in frontend and backend
- Conducted error analysis on model outputs to identify failure patterns

NOVEMBER 2024 - DECEMBER 2024

Information Technology Intern

Tech Incubator at Queens College

- Consulted with business-owners to identify operational needs and developed custom Python solutions, including spreadsheet automation and a personal bot assistant
- Marketed the incubator's technology services to small businesses in the community
- Assisted with facility upkeep, including cable management in the game room

Certifications

- Google Data Analytics Professional Certificate — Google
- Data Analytics Essentials – Cisco
- Introduction to Data Science – Cisco
